LIBRARY EXPANSION

Help the library with our request for New Mexico State monies to expand our facilities. Come by the library to sign a petition to our local State Representatives requesting a Capital Outlay of \$1,015,000.00 for expansion and write a postcard to the Governor asking for his help. We'll deliver the petitions to our State Reps and we'll provide the postage and mail your postcard to the Governor.

Our collection is adding new books, new books on cds, films on dvds, and music cds almost everyday. Come by the library and see what's new.

THE VISTA GRANDE PUBLIC LIBRARY -- It's Your Community Resource!
The Vista Grande Public Library, a nonprofit membership corporation, opened in April 28, 2001 for the residents of the southeastern corridor of Santa County, on whom it depends for financial survival. Virtually 100% of VGPL's annual operating budget is funded by donations, not government funds or tax dollars. Without the help of residents of area communities, this public library would not exist.
